1 | BASEBOARDS

KEEP, REINSTALL OR REPLACE?

KEEP & REINSTALL

Cost effective and maintains original character.

UPGRADE

A new profile can modernize your space and add impact.

TALLER BASEBOARD

Taller baseboards make a room feel larger and more custom.

2 | QUARTER ROUND / SHOE MOLDING

THE FINISHING TOUCH

QUARTER ROUND

Traditional look that covers the expansion gap and looks great with most baseboards.

5 | STAIR TREADS & RISERS
